***County of Ashe, North Carolina
Installment Financing***

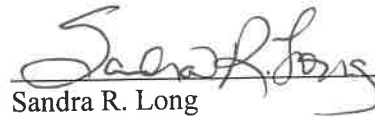

In accordance with N.C. Gen. Stat. §120-157.2(a), the County of Ashe, North Carolina (the "*County*") hereby notifies you of the County's intent to enter into an installment financing under Section 160A-20 of the General Statutes of North Carolina, as amended either (a) pursuant to an installment contract with a financial institution or (b) through the issuance of limited obligation bonds, the proceeds of which will be used to (a) finance the acquisition, construction and equipping of a classroom and laboratory facility for the Ashe Campus of Wilkes Community College and (b) refinance prior installment financings, the proceeds of which were applied to the acquisition, construction and equipping of a law enforcement and detention center. To secure the County's obligations, the County will grant a deed of trust on all or a portion of the property being financed or refinanced.

The County expects that the financing will have a term of twenty years and that the amount advanced to the County will be approximately \$13,200,000. The County may pay its obligations from any source of funds available to it in each year. The County's obligation to make payments is a limited obligation of the County, subject to annual appropriation, and will not constitute a direct or indirect pledge of the faith and credit or the taxing power of the County.

The County expects that the North Carolina Local Government Commission (the "*Commission*") will consider for approval the County's proposal to finance the Wilkes Community College facility and to refinance the law enforcement and detention center at the Commission's meeting scheduled for July 7, 2020 or such later meeting as the County and the Commission may determine.
